

# Road Safety Program

## Black Road, Happy Valley shoulder works

**We are upgrading Black Road, between Main South Road and the Happy Valley Drive roundabout, to improve safety and efficiency for all road users**

These works form part of the \$168 million Road Safety Program, jointly funded by the Australian (50%) and South Australian (50%) governments.

### What's happening

We are undertaking shoulder works, including widening and sealing the edge of the road, at various locations on Black Road between Main South Road and the Happy Valley Drive roundabout.

### How this affects you

**Black Road will remain open at all times.**

To safely undertake these works, speed and lane restrictions will be in place throughout the area. Speed restriction will remain in place outside of work hours. Please take care when traveling through the area and follow the directions of onsite traffic controllers.

Access to businesses and properties will be maintained. If temporary access restrictions are required, advanced notice will be provided.

No works will occur from Saturday, 21 December 2024 to Monday, 6 January 2025, however speed restrictions will remain in place during this time subject to site conditions.

Thank you for your understanding while these important works are undertaken.

#### When

Friday, 29 November 2024 to mid-January 2025, weather permitting

#### Hours of work

Monday to Friday, between the hours of 8am and 4pm  
Some Saturday work may be required

#### Where
