

SNAPPER MANAGEMENT ARRANGEMENTS 2019-2023

- Seasonal Snapper closure applies 1 November to 31 January each year.
- Total Snapper fishing closure applies 1 November 2019 to 31 January 2023.

Fishing closures are in place to protect Snapper stocks. During the closures, the targeting take and possession of Snapper is prohibited.

GPS coordinates based on Geocentric Datum of Australia 1994 (GDA94), in degrees decimal minute format.
