

Ovingham Level Crossing Removal

Pavement Investigation - night works

31 March to 2 April

As part of the Ovingham Level Crossing Project, pavement investigation works will be undertaken at various locations along Torrens Road and Churchill Road. The crossing is located near the fringe of the Adelaide CBD on Torrens Road at Ovingham.

Hours of work:

- From 8:00pm, Tuesday, 31 March to 6:00am, Wednesday, 1 April.
- From 8:00pm, Wednesday, 1 April to 6am, Thursday, 2 April.

Location of works:

- Torrens Road, between McQuillan Avenue and Jeffcott Road, North Adelaide; and
- Churchill Road, between Dudley Avenue and the Torrens Road intersection with Churchill Road, Ovingham

Some noise disturbance from the pavement investigation vehicle can be expected at times while the works are undertaken, however the work will be managed to minimise disturbance to local residents and business as much as practically possible.

To safely undertake the works the slow moving vehicle will be escorted while in operation, with hazard lights and directional lighting operating to alert and warn road users

Please observe the warning signals when travelling through the area. Pedestrian and cycle access will not be affected as part of these works. Public transport services will not be affected by the works.

To register for project updates or to find more information please visit:

If you have any questions or would like to speak to a member of the project team, please call 1300 613 533 or email: dpti.communityrelations@sa.gov.au.

Thank you for your patience and cooperation while these works are being undertaken.

Kind Regards,

The Level Crossing Grade Separations Project Team
