

Main North Road and Nottage Terrace Intersection Upgrade

Night Works

The Department for Infrastructure and Transport (the Department) is upgrading the intersection of Main North Road and Nottage Terrace to improve travel times, connectivity, capacity and safety for all users. The \$19 million project is jointly funded (50:50) by the Australian and South Australian governments.

In order to minimise the impact to road users and to ensure the works can be completed safely and efficiently, night works continue to be required. In addition night works will also take place on Nottage Terrace, with further details provided below.

Works at the intersection

Night works are taking place on **Main North Road (west of the intersection) and Nottage Terrace (east of the intersection)**. This stage of night works, which will now continue **throughout July 2021, and August 2021, weather permitting**, and includes:

- Installation of new underground stormwater infrastructure, road lighting and signalling.
- Pavement construction to widen the road and create new footpaths.

Hours of work are between **7pm and 7am Sunday to Friday**. No works are being undertaken on Saturday nights.

Some noise disturbance can be expected at times while these important works take place, however the work is being managed to minimise disturbance as much as practically possible.

The intersection remains open to traffic at all times, with speed and lane restrictions in place.

Property access is being maintained throughout the works.

Works on Nottage Terrace

Night works on **Nottage Terrace, between the intersection and just east of Victoria Avenue**, are scheduled to commence on **Monday, 12 July 2021, and will continue until the end of August 2021, weather permitting**.

Night works at this location will include:

- Installation of road lighting.
- Installation of stormwater and pavement infrastructure.

Hours of work are between **7pm and 7am Sunday to Friday**. No works are being undertaken on Saturday nights.

As part of these works, kerbside parking restrictions will be in place between 7pm and 7am each night within the work area commencing 12 July 2021, for approximately two weeks, weather permitting.

Safe access to residential properties will be maintained however in some instances there may be a short delay to enter/exit your driveway. Workers will be available to guide vehicles as required. We ask that you follow traffic management arrangements during this time. If you would like to discuss your individual access requirements, please call the project information line on 1300 414 554.

**BUILDING
WHAT MATTERS**

Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Public transport services will not be affected during the works, however if required, advance notice of any temporary changes will be provided at the bus stops and on the Adelaide Metro website www.adelaidemetro.com.au.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Every effort will be made to minimise impact to the community.

As the project progresses advance notice will continue to be provided ahead of any further night works.

The Department appreciates your patience and cooperation whilst these important works are undertaken.

For further information regarding these works or to register for future updates, please visit: <http://www.dit.sa.gov.au/nottage>, contact the project team via email at dit.communityrelations@sa.gov.au or call 1300 414 554

Kind regards,

Main North Road and Nottage Terrace Intersection Upgrade Project Team
