

Grange Road, Holbrooks Road and East Avenue Intersection Upgrade

Project update April 2025

We're upgrading the Holbrooks Road and East Avenue intersection to make it easier for you to cross Grange Road

What's happening

Construction works to upgrade the Grange Road, Holbrooks Road and East Avenue Intersection are progressing well.

Activities will continue to increase across the site including median removal, installation of traffic barriers, street lighting and ongoing service utilities relocation works.

How this affects you

To keep everyone safe speed and lane restriction will be in place as required. Please follow traffic management and onsite signage.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons, there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

Access to businesses and properties will be maintained at all times. If there is a need for short-term access impacts, we will contact you directly in advance.

Access for emergency service vehicles will be maintained at all times.

Some noise disturbance can be expected; however, the work will be managed to minimise disturbance to nearby residents and businesses as much as is reasonably practicable.

Hours of work

Day works

Monday to Friday, 7am and 6pm

Some Saturdays may be required, 7am and 3pm

Night works

Sunday to Thursday, 7pm and 6am

Where

Along Grange Road, Holbrooks Road and East Avenue, within the vicinity of the intersection

- No works from 6pm Thursday 17 April to 7am Tuesday 22 April 2025.
- No works from 6am Friday 25 April until 7am Monday 28 April 2025.

Register for updates

We are committed to working with local businesses and residents to ensure you are kept well informed about the project and to minimise construction impacts as much as possible.

We encourage you to register to receive project updates and stay up to date as the project progresses. Please go to the project website www.dit.sa.gov.au/GHE or use any of the **More information** options on the first page.

This project is expected to be complete in late 2025, weather permitting.

We thank you for your patience during these important works.
