

Nelson Road, Para Vista

Site investigation works

Site investigation works will be carried out on Nelson Road as part of the Australian (50%) and South Australian (50%) governments' \$168 million Road Safety Program.

What's happening

We are undertaking engineering survey works on Nelson Road between Heather Drive and Wright Road on Wednesday 7 May between 9am and 3pm and Monday 12 May between 10am and 12pm. Works will involve geotechnical drilling and service investigations at various locations along the road and footpath.

These activities are being conducted to help inform future designs for a Pedestrian Actuated Crossing (PAC).

How this affects you

To safely carry out these works, there will be changes to traffic conditions to keep everyone safe. Speed restrictions will be in place on Nelson Road during working hours. Please follow traffic management directions while works are in progress.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

We'll maintain access for properties throughout the works wherever possible, with advance notice provided if there is a need to restrict driveway access temporarily. Access for emergency vehicles will be maintained at all times during works.

Pedestrians and cyclists are advised to take care when traveling throughout the area. For safety reasons there may be some restricted access. When required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Every effort will be made to minimise impacts to the community.

When

Wednesday 7 May 2025,
9am to 3pm

Monday 12 May 2025, 10am
to 12pm

Where

Nelson Road, Para Vista
(between Heather Drive and
Wright Road).
