

Grange Road Level Crossing, Hawthorn

Site Investigation Works

We are undertaking site investigation works on Grange Road near the Belair rail line level crossing as part of the South Australian Government's commitment to road and rail safety.

When

Monday 12 May and
Tuesday 13 May 2025

Hours of work

Night Works

7pm-4am

Where

Grange Road near the
Belair rail line level
crossing

What's happening

As part of our transport planning, we are undertaking site investigation works on Grange Road near the Belair rail line level crossing. We will carry out surveys and service investigations at various locations on Grange Road in the vicinity of the level crossing.

To safely undertake this work, night works will be required between 7pm and 4am on Monday 12 May and Tuesday 13 May 2025.

How this affects you

To safely carry out these works, there will be changes to traffic conditions to keep everyone safe. Speed restrictions will be in place on Grange Road during working hours. Please follow traffic management directions while works are in progress. While some noise can be expected during drilling works, every effort will be made to minimise the disturbance.

We'll maintain access for properties throughout the works wherever possible, with advance notice provided if there is a need to restrict driveway access temporarily. Access for emergency vehicles will be maintained at all times during works.

Pedestrians and cyclists are advised to take care when traveling throughout the area. For safety reasons there may be some restricted access. When required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Every effort will be made to minimise impacts to the community.
