

Southern Expressway

Reynella Interchange night works - installation of permanent anti-throw screens

Dear Resident/Business Owner

The Department of Planning, Transport and Infrastructure (DPTI) would like to notify you of upcoming works on Southern Expressway bridges. These works are to install permanent anti-throw screens as part of DPTI's commitment to improve safety along the transport network.

Weekend works will commence **Friday, 15 February**, and are expected to be completed by **Tuesday, 19 February**, weather permitting.

The Reynella Interchange bridge and the Southern Expressway will be closed to traffic between Main South Road, Sturt (northern end of the Southern Expressway) and the Sherriffs Road Interchange as follows:

- **Friday, 15 February, 8pm – Saturday, 16 February, 7:30am**
- **Saturday, 16 February, 7pm – Sunday 17 February 8:00am**
- **Sunday, 17 February, 6pm – Monday 18 February 5:30am**
- **Monday, 18 February, 8:30pm – Tuesday 19 February 5:30am (contingency night only)**

Local traffic diversions will be in place at the Reynella Interchange. These local diversions are shown in yellow on the attached map.

Motorists travelling south on the Expressway will be detoured via Main South Road and will be able to access the Expressway from the Sheriffs Road Interchange. This diversion is shown in orange on the attached map.

North bound motorists need to exit via the Sheriffs Road Interchange and continue using Main South Road. This diversion is shown in blue on the attached map.

Road users are advised to follow the direction of traffic management staff and observe VMS boards and local traffic management signage. Pedestrians and cyclists will be detoured to nearby pedestrian bridges or road bridges.

Existing bus routes will continue to operate as normal and will not be detoured.

Access to businesses and properties will be maintained at all times.

Every effort will be made to minimise noise impacts to nearby residents and businesses. However some noise will be unavoidable during this period.

For further information visit: <https://dpti.sa.gov.au/sxway> or if you have any questions and would like to speak to a member of the project team, please call 1300 282 933 or email dpti.regionalbridges@sa.gov.au

For real time roadwork information, download the *Addinsight* app for Apple or Android or visit the Traffic SA website at www.traffic.sa.gov.au

We appreciate your patience and cooperation whilst these important works are undertaken.

Yours sincerely
