Freedom of Information Statement

July 2019

Government of South Australia

Department of Planning,
Transport and Infrastructure

INTRODUCTION

This statement is published in accordance with section 9 of the *Freedom of Information Act 1991* (the Act). The Act gives members of the public a legally enforceable right to access information held by the South Australian Government, subject to certain restrictions.

The Department of Planning, Transport and Infrastructure's (DPTI) Internet site www.dpti.sa.gov.au provides an overview of the roles and functions of the department. It also contains media releases, publications and various news items.

A comprehensive introduction to freedom of information can be found on the State Records website at <http://www.archives.sa.gov.au/content/foi-in-sa>.

Structure and Functions

The department's structure and functions can be found in the latest copy of the [DPTI Annual Report](#).

COMMUNITY ENGAGEMENT

Working together to connect the people and places of South Australia

The department manages a diverse range of government services which impact the lives of more than a million South Australians every day. DPTI works as part of our community to deliver effective planning policy, efficient transport and social and economic infrastructure.

This is done by harnessing the diversity of our purposes and our people to improve the lifestyle of all South Australians. By working together we capitalise on a unique and powerful opportunity to connect with every part of our community and deliver positive outcomes every day.

Community Consultation

The department is committed to open, responsive and accountable government. The community is invited to provide feedback on projects and any issues through the department [contact us page](#) or on the various planning, transport and infrastructure project websites.

Project community engagement occurs through community surveys, community liaison sessions and promotional activities.

Public consultation on planning matters and development plan amendments is conducted by the the State Planning Commission.

BOARDS AND COMMITTEES

State Planning Commission

The State Planning Commission assumed the functions, powers and duties of the Development Assessment Commission (DAC) on 1 August 2017. On the same day the State Planning Commission established the State Commission Assessment Panel (SCAP) to continue the assessment functions formerly undertaken by the DAC.

The State Commission Assessment Panel (SCAP) is established under South Australia's *Planning, Development and Infrastructure Act 2016*. The functions, powers and duties of SCAP include:

- assess and determine development applications, pursuant to Schedule 10 of the Development Regulations 2008
- act as the concurring authority for non-complying applications approved by a council or regional assessment panel
- assess and report on crown development and public infrastructure applications to the Minister for Planning
- assist in the initial stages of proposals being assessed under the major development provisions of the Act
- act as the lodgement authority for all land division applications

Minutes of meetings are available for public inspection on the State Planning Commission [website](#).

Building Committee

The Building Committee has been established by the State Planning Commission to assume the functions, powers and duties of the Building Advisory Committee (BAC) and Building Rules Assessment Commission (BRAC).

The Building Committee can consider matters referred to it under the *Development Act 1993* and the *Planning, Development and Infrastructure Act 2016* and administer, as appropriate, any delegated functions of the State Planning Commission.

Minutes of meetings are available for public inspection on the State Planning Commission [website](#).

Outback Communities Authority (OCA)

The OCA was established by the *Outback Communities (Administration and Management) Act 2009* to manage the provision of, and promote improvements in, public services and facilities for outback communities. It also has a responsibility to articulate the views, interests and aspirations of these communities.

The minutes for the OCA can be found on their [website](#).

Department of Planning,
Transport and Infrastructure

South Australian Local Government Grants Commission (LGGC)

The LGGC is established under the *South Australian Local Government Grants Commission Act 1992*. It makes recommendations to the Minister for Local Government on the distribution of untied Commonwealth Financial Assistance Grants to local government authorities in South Australia.

Information on the LGGC's works and grants is available on its website (https://www.dpti.sa.gov.au/local_govt/LGGC)

Under the *Local Government Act 1999*, the LGGC is also the independent body that assesses and investigates council boundary change proposals, and makes recommendations to the Minister. Information about this role is available at https://www.dpti.sa.gov.au/local_govt/boundary_changes

South Australian Public Transport Authority (SAPTA)

SAPTA was established to operate as from 1 July 2019 and assumes responsibility for all aspects of operations, maintenance and service delivery for all public transport services – bus, trains and trams.

DPTI will continue to be responsible for transport infrastructure planning and delivery.

SAPTA will fulfil a State Government commitment to cultivate a customer-first public transport culture and develop a public transport system that is safe, secure and affordable; offering services that are better connected and with more frequency on key corridors; and a system that is clean and comfortable, easy to understand and use, friendly and inclusive.
