

# Glen Osmond Road and Fullarton Road Intersection Upgrade

## Night works

The Australian and South Australian governments have jointly (50:50) committed \$35 million to upgrade the Glen Osmond Road and Fullarton Road intersection. Once complete, the upgrade will improve travel times and road safety, increase intersection capacity and enhance network reliability.

During these upgrade works, **the intersection will remain open to traffic at all times**. Speed and lane restrictions will be in place in the vicinity. While the majority of these works are being undertaken during the day, night works will also continue to be undertaken as required.

### Night works

Night works to construct new footpaths and road pavements, install road lighting, kerbing, and underground infrastructure, and the placement of asphalt continue to be undertaken in various locations through and around the intersection between the hours of 7pm and 6am, Sunday to Thursday, as required. **These night works will continue until Saturday, 29 April 2023, weather permitting.**

**Additional night works will be required as part of the project, and further updates will be provided closer to these works.**

Please take extra care when workers are on site and observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout these works, however the project team will contact individual property owners if driveway access is to be temporarily affected by the works.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible. This includes scheduling intrusive works early evening where possible. You may also notice some odour which is common when asphaltting works are underway.

### Further information

For more information, or to register for project updates please contact the project team via phone on 1800 271 168, by email to [DIT.GlenOsmondFullarton@sa.gov.au](mailto:DIT.GlenOsmondFullarton@sa.gov.au) or by visiting [www.dit.sa.gov.au/glenosmond](http://www.dit.sa.gov.au/glenosmond).

We appreciate your patience and cooperation whilst these works are undertaken.

Kind regards

**Glen Osmond Road and Fullarton Road Intersection Upgrade project engagement team**
