Dear Minister, Tom

I write to you on behalf of Mr Clause 6 (1) - Personal Affairs a constituent in my electorate of Newland.

Mr Clause 6 (1) - is concerned with the limited amount of legal access permitted to use a privately-owned electric scooter in public areas. He is asking why – despite the plentiful access of electric scooters in the CBD – is he not able to operate his privately-owned electric scooter in public areas.

This has caused great distress to Mr Clause 6 (1) - due to purchasing the scooter for his son to travel more effectively. As it's currently a 40 minute walk from his bus stop in Wingfield to his place of employment.

Mr Clause 6 (1) - has requested greater clarification on transport legislation for privately-owned vehicles, like that of electric scooters. In addition, he has requested if there are any potential solutions to address this current issue.

Please find enclosed correspondence provided to me by Mr Clause 6 (1) - concerning this matter.

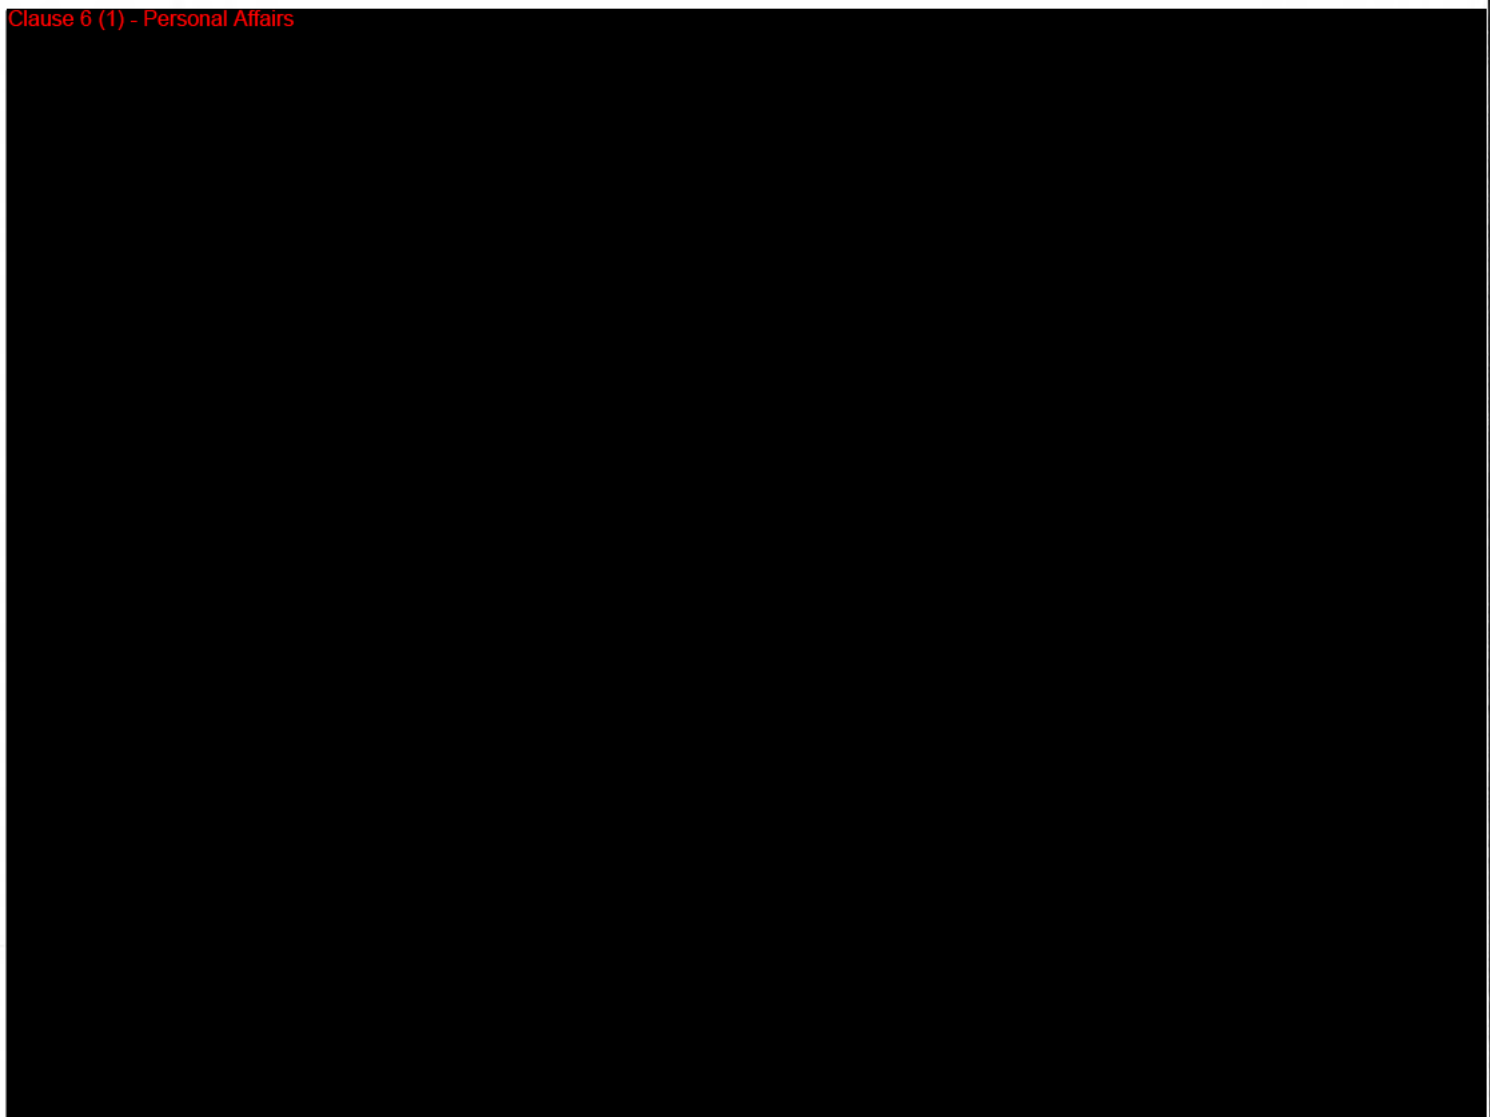

I appreciate your consideration of this matter and I look forward to receiving your response so that I can reply to Mr Clause 6 (1) -

If you would like to discuss this matter further, please do not hesitate to contact my office on 8264 4482 or [newland@parliament.sa.gov.au](mailto:newland@parliament.sa.gov.au).

Dear Minister *Tom*

I write to you on behalf of Ms Clause 6 (1) - Personal Affairs Banksia Park who has raised concerns about the recent installation of yellow pavement bars along North East Road near the intersections of Asquith Street and Richards Street, Ridgehaven.

Ms Clause 6 (1) - Personal Affairs has informed me that the positioning of these pavement bars have created a narrow space for vehicles that are turning right onto Asquith Street or Richards Street. Ms Clause 6 (1) - Personal Affairs is of the opinion that this narrow space can obstruct vehicles entering the nearby right-hand turning lane that leads to Golden Grove Road. The right turn onto Asquith Street is positioned just meters before the right-hand turning lane.

Ms Clause 6 (1) - Personal Affairs has requested that this section of road is reviewed so that the traffic movement is reconfigured to a more adequate standard for local residents.

Please find enclosed correspondence provided to me by Ms Clause 6 (1) - Personal Affairs concerning this matter as well as images of the section of road taken on 29<sup>th</sup> June 2022.

I appreciate your consideration of this matter and I look forward to receiving your response so that I can reply to Ms Clause 6 (1) - Personal Affairs

Dear Minister,

I hope this email finds you well. I have received a constituent enquiry from [Redacted] Hope Valley regarding the access of potential surveillance footage on the [Redacted].

Mr. [Redacted] received an expiration notice [Redacted] from SAPOL on the 09/06/2022 at the [Redacted] due to entering a blocked intersection. Mr. [Redacted] is contesting the notice with SAPOL that he had entered a blocked intersection, due to Mr. [Redacted] claims that he was following behind an unmarked police vehicle when crossing the intersection from [Redacted] and subsequently was fine by the SAPOL officer.

Mr. [Redacted] has requested footage of the incident taking place to the Holden Hill Police Station. Holden Hill [Redacted] informed Mr. [Redacted] that no footage is able to be recovered.

Mr. [Redacted] would like to be informed if there is any surveillance footage at the [Redacted] that may have been recording at the time of the incident.

Due to the limited allocated time for Mr. [Redacted] to pay for the fine, this case should be considered with a degree of urgency.

If there's anything you need, please don't hesitate to contact Olivia's office on (08) 8264 4484. The office is open from Monday – Friday, between 9:00 am – 5:00 pm.

Dear Ms Savvas

A handwritten signature in cursive script that reads 'Olivia'.

Thank you for your letter dated 26 May 2022, on behalf of Ms Clause 6 (1) -  
Personal Affairs about adapting a new payment system and the option for a single-use ticket for public transport.

Adelaide Metro is currently undertaking a major ticketing upgrade designed to make public transport simpler, safer, and easier to use, to remove barriers for infrequent users.

This includes introducing an option to Tap and Pay with a Visa or Mastercard and, in future, a digital QR code. The upgrade is being implemented in stages.

The Department for Infrastructure and Transport advises that following a successful Tap and Pay pilot on trams, new smart validators have been installed on trams and O-Bahn buses. These smart validators will accept both metroCARDS and Visa/Mastercard Tap and Pay from late-2022.

Single-use MetroTickets still remain available to purchase from ticket vending machines at major interchanges, stops and stations, as well as on board trains and trams. However, single-use tickets cannot be purchased on buses, as buses moved to cashless operations during the COVID-19 pandemic.

I thank you for passing on Ms Clause 6 (1) -  
Personal Affairs comments as feedback from public transport users and the broader public plays an important role in Adelaide Metro's service improvement process as we continue to strive towards future enhancement.

For further information about the ticketing upgrade, it is available at: [https://www.adelaidemetro.com.au/about-us/news/news-items/2022/tap to pay on all trams and o-bahn buses](https://www.adelaidemetro.com.au/about-us/news/news-items/2022/tap-to-pay-on-all-trams-and-o-bahn-buses).

Yours sincerely

Dear Minister,

I write to you on behalf of Mr Clause 6 (1) - Personal Affairs St Agnes.

Mr Clause 6 (1) - Personal Affairs is concerned with the shortage of specialised truck driving instructors that has impeded his ability to obtain an unrestricted truck driving license.

Mr Clause 6 (1) - Personal Affairs has been attempting to complete his truck driving lessons since November last year, which costs him approximately \$1300 a lesson. He is experiencing challenges in scheduling lessons with his training provider due to bookings stretching out months on end.

Mr Clause 6 (1) - Personal Affairs has expressed frustration that due to the lack of training instructors, the extended waiting times for bookings, and certain flaws within the course's structure, has led him to potentially being unable to complete his course.

Mr Clause 6 (1) - Personal Affairs has requested assistance from the Department of Infrastructure and Transport to assist him in obtaining an unrestricted license. He would like to be contacted by a senior officer on Clause 6 (1) - Personal Affairs to discuss his issue directly and would like to be informed of alternative options for him to complete his qualification.

I appreciate your consideration of this matter and I look forward to receiving your response so that I can reply to Mr Clause 6 (1) - Personal Affairs

Dear Minister, <sup>Tom</sup>

I write to you on behalf of Mr Clause 6 (1) - Personal Affairs St Agnes.

Mr Clause 6 (1) - Personal Affairs is concerned with the current processes in maintaining continued ownership of his father's unique registration number. He informs me that his father, before his passing in June this year, was in the ownership of a unique numerical registration plate of Clause 6 (1) - Personal Affairs

Mr Clause 6 (1) - Personal Affairs mother visited the Modbury Service SA office, informing them of her husband's passing and requesting a transfer of the registration's ownership. He tells me that Service SA informed his mother that due to the plate being "all numerical", it is now in the ownership of the State, and would be allocated with a new registration number.

Mr Clause 6 (1) - Personal Affairs understands the current legislation and processes surrounding this matter, however, he feels that the human element of this situation seems to have been overlooked.

Mr Clause 6 (1) - Personal Affairs has requested further clarification from the Registrar of Motor Vehicles concerning this issue. He is seeking the continuation of the registration number in his family for continued usage.

Please find enclosed correspondence provided to me by Mr Clause 6 (1) - Personal Affairs concerning this matter.

Dear Ms Savvas *Olivia,*

Thank you for your letter on behalf of Ms Clause 6 (1) - Personal Affairs about the installation of yellow pavement bars along North East Road near the intersections of Asquith Street and Richards Street, Ridgehaven.

The Department for Infrastructure and Transport (the Department) advises that the pavement bars were incorrectly installed as part of the recent asphalt resurfacing works undertaken on North East Road. However, I am pleased to advise that the pavement bars design has now been rectified.

The Department apologises for any inconvenience and appreciates the patience and understanding of road users whilst these rectification works were undertaken.

Should Ms Clause 6 (1) - wish to discuss the matter further the departmental Project Manager, Mr Craig Otero can be contacted either by telephone (08) 8343 2646 or email at [craig.otero@sa.gov.au](mailto:craig.otero@sa.gov.au).

Yours sincerely

Dear Ms Savvas *Olivia,*

Thank you for your letter on behalf of Mr Clause 6 (1) - Personal Affairs about commuters not paying for public transport.

The Department for Infrastructure and Transport (the Department) advises that as a condition of the *Passenger Transport Act 1994*, any person who holds a ticket must validate his or her ticket each time that they board a regular passenger service vehicle in which a ticket validator is installed. The Department considers fare evasion as a serious and ongoing problem on the public transport network and therefore, ticket inspectors are regularly deployed to undertake fare compliance checks.

Please note, ticket inspectors do not issue infringement notices, but rather make reports to the Department's prosecutions who consider all relevant information such as the circumstances surrounding the alleged offence and any prior allegations of offences committed, prior to making a decision as to whether an infringement notice is to be issued.

The feedback provided by passengers who witness fare evasion assists when determining which services will receive the most benefit when targeting fare evasion. Accordingly, I encourage your constituent to contact Adelaide Metro via the website ([www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)) or the InfoLine on telephone 1300 311 108 to provide detail on the services and times observing these practices.

I trust this information is of assistance.

Yours sincerely
