Council Boundary Adjustment Proposal — McBeath Drive, Skye and Horsnell Gully

Dear Mr Aitken and Mr Cant

Thank you for your letter of 18 June 2019 regarding the Adelaide Hills Council and City of Burnside's (the Councils') proposal for a boundary realignment of the Councils' boundary along McBeath Drive between the suburbs of Skye and Horsnell Gully (the Proposal).

Thank you also for the information detailing the relevant development authorisation that the City of Burnside provided to the Office of Local Government (OLG) on 26 June 2019.

The South Australian Local Government Boundaries Commission (the Commission) considered the Proposal and related information at its meeting on 27 June and 16 July 2019, against the provisions of the *Local Government Act 1999* (the Act) and the Commission's proposal guidelines.

The Commission determined to receive the Proposal and has assessed it to be an administrative proposal into which the Commission will inquire under s 30 of the Act. Please note that this does not guarantee that the Commission will make any recommendations to change the Councils' boundary following its inquiry.

As part of the Commission's inquiry, I invite your Councils to provide submissions or representations on any matters it considers relevant regarding the Commission's inquiry into the Proposal. Additionally, I invite the Councils to provide submissions or representations on any matters it considers relevant to a proclamation under the Act, in particular, matters the Councils consider relevant under sections 10(6) and 11(2)(a) of the Act.

I have also written to Boral Resources to request information about the status of the development application related to the Proposal, in particular the expected timing of the

resolution of the reserve matters and the deposit of its land division application once it has received final development approval.

This information will be particularly relevant to the Commission's inquiry as the Commission understands that the realignment of McBeath Drive will occur as part of the finalisation of the development application.

If you have further questions or wish to provide submissions or representations, please contact OLG on 7109 7145, or boundaries.commission@sa.gov.au.

Yours sincerely

Mr Bruce Green

Chair, SA Local Government Boundaries Commission

July 2019
