

## Communiqué

### Meeting of 7 December 2020 - Adelaide

The Remote Areas Consultative Group (RACG) consists of government and industry representatives from the Northern Territory, Queensland, Western Australia and South Australia.

A full list of member organisations is provided as an attachment to this Communiqué.

The purpose of the RACG is to act as an advisory body to provide a remote areas perspective on proposed and existing transport reforms.

The Department for Infrastructure and Transport (SA) hosted its fifth and final meeting of the RACG as part of a two year rotation of chairing duties. Chairing and hosting responsibilities for the RACG will be transferred to Main Roads Western Australia for the 2021-2022 rotation.

- 
- **Strategic Discussion by RACG** – Members discussed strategic issues including the Heavy Vehicle National Law (HVNL) review, Electronic Work Diaries and the National PBS Notice Review. Discussions will continue at future meetings in an endeavour to ensure remote area issues are considered as part of these processes.
  - **COVID-19** – Members discussed the ongoing implications of the COVID-19 pandemic:
    - **Cross Border Communication** - issues regarding border closures and associated restrictions for operators have highlighted the need to implement a mechanism for timely National communication to ensure ongoing industry awareness and safety.
    - **Shortages of Competent Heavy Vehicle Drivers** - have been exacerbated during the pandemic and continue to cause concern regarding the pressure on the existing pool of experienced drivers. Western Australia is working on an improved regime for Heavy Vehicle driver competency training. Industry are involved in a number of projects aimed at addressing the issues and concerns.
    - **Border Closures** are leading to increased potential for motorists to use unfamiliar roads. Drivers must remain vigilant and aware of ongoing developments to ensure safety.

The next RACG meeting is due to be held in the first six months of 2021. It will be scheduled by Main Roads Western Australia, to be held in Perth, with video presence capability for members and invited guests.

For further information, contact the RACG SA member on telephone (08) 7109 7333 or email [mike.wilde@sa.gov.au](mailto:mike.wilde@sa.gov.au).
