

Flagstaff Road Upgrade Project

Project Update

Additional night works required from Sunday, 18 July to Thursday, 22 July 2021 due to recent inclement weather.

The Department for Infrastructure and Transport (the Department) is upgrading Flagstaff Road, between Hyland Avenue and Bonneyview Road. The South Australian Government has committed \$32.9 million towards the project, which will improve travel times, capacity and safety for all users.

Night works are currently underway on Flagstaff Road. **Due to recent inclement weather, night works are now also required from Sunday, 18 July until Thursday, 22 July 2021, weather permitting. Hours of work are between 8pm and 5:30am.**

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses, as much as practically possible.

To safely facilitate these works, traffic detours will be in place. Please see the maps over the page for traffic detour and local traffic access information.

Traffic management and signage will be in place to alert road users to changed traffic conditions. Road users are asked to plan ahead, observe signage, speed limits and the direction of traffic controllers, and to take extra care when travelling through the area.

There is no change to public transport services.

Access to properties will be maintained under these new traffic conditions, with advance notice provided if there is a need to temporarily restrict driveway access.

The Department appreciates your co-operation and patience while these important works are undertaken.

BUILDING
WHAT MATTERS

Night works and temporary road closures – from 8pm Sunday, 18 July to Thursday, 22 July 2021, weather permitting

- Works will include the installation of stormwater drainage along Flagstaff Road. Lighting towers, heavy vehicles, excavators and cranes will be used.
- Flagstaff Road will be temporarily closed to vehicles and cyclists, between Hyland Avenue and Bonneyview Road from 8pm while this night work is carried out. The road will re-open at 5:30am each morning. No works or road closures will be undertaken on Friday and Saturday nights.
- Local access and public transport will be maintained.

Vehicle detours during night works

Local vehicle access arrangements during night works

- Local access to Hyland Avenue will be via southbound on Main South Road onto the southbound lane of Flagstaff Road only. Traffic coming from Marion Road and northbound from Main South Road will be required to use the U-turn facility located on Main South Road at Riverside Drive, Bedford Park.
- Local access to Elly Court and properties from number 2 to 16 Flagstaff Road will be via the northbound lane of Flagstaff Road only, from Black Road. Exit from Elly Court and properties from number 2 to 16 Flagstaff Road, Darlington for local traffic will be via the southbound lane of Flagstaff Road, to Black Road.
