

SUBJECT: Future AGFMA – ‘Outcomes Report’ and Ventia EOI

Hi All,

Following from our email on 23 July 2021, the Future AGFMA Team would like to advise you of the following updates.

Outcomes Report

Please be advised that the ‘Outcomes Report’ is now available on the Future AGFMA website at the following link:

https://www.dit.sa.gov.au/future_agfma/future_agfma/contractors_trade_services

In line with our commitment to transparent communications and consultation, this ‘Outcomes Report’ is the third and final report in the series, following the ‘What We’ve Heard Report’ and ‘What We’re Actioning Report’ as we progress towards the introduction and transition to the Future AGFMA model for the delivery of facilities management and maintenance services in South Australia.

The ‘Outcomes Report’ connects the feedback detailed in the ‘What We’ve Heard Report’ and the ‘What We’re Actioning Report’ following the contractor forums held in September 2020. It also outlines Ventia’s confirmed actions and contractual commitments for the Future AGFMA, as influenced by your feedback.

We thank you for your continued support and the positive engagement, which has been and will continue to be critical to achieving a successful transition to the Future AGFMA (1 December 2021).

Ventia EOI

Thank you to those who have registered their details through subscription to the Future AGFMA website or registered interest through the Industry Capability Network (ICN) process. Registration through the Department for Infrastructure and Transport has now closed and your details have been passed on to Ventia. One of Ventia’s Relationship Coordinators will make contact with you to follow up your expression of interest. This will include confirming the details of the person responsible for completing the pre-qualification and on-boarding activities on behalf of your company.

If you have not yet registered, you will need to express your interest directly with Ventia at the following link:

<https://www.ventia.com/page/across-government-facilities-management-arrangement-eoi>

The link also provides information on the on-boarding and transition activities.

If you have any further queries please contact the Future AGFMA team on DIT.FutureAGFMA@sa.gov.au

Best Regards,

The Future AGFMA Team
