

Glen Osmond Road and Fullarton Road Intersection Upgrade

Night Works

The Australian and South Australian Governments have jointly (50:50) committed \$35 million to upgrade the Glen Osmond Road and Fullarton Road intersection. Once complete, the upgrade will improve travel times and road safety, increase intersection capacity and enhance network reliability.

As you may be aware, consultation on the current proposed concept design closed on 14 June 2021. This feedback is currently being reviewed and considered by the project team. We will be back in contact in the near future to provide an update on the outcomes of this consultation.

Site investigation works

Additional service identification investigation activities are required near the intersection to further assist with project planning. In order to minimise the impact to road users and to ensure the works can be completed safely and efficiently, these investigation activities will be undertaken from **Monday, 25 October to Friday, 29 October 2021, between 7pm and 6am, weather permitting.**

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. Access to properties will be maintained throughout these works.

No changes to public transport services are planned during these works.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

The Department appreciates your patience and cooperation whilst these important works are undertaken.

To find out more about the project or register for updates, visit www.dit.sa.gov.au/glenosmond_fullarton. If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email dit.communityrelations@sa.gov.au

Kind Regards,
Glen Osmond Road and Fullarton Road Intersection Upgrade Project Team
