

Port Lincoln Intersection Safety Upgrade Project

Works Notice

We are undertaking improvements to the Eyre Peninsula road network. These works are jointly funded by the Australian and South Australian governments. This project includes upgrading four key intersections along Lincoln Highway through central Port Lincoln

What's happening:

Upgrade works will commence at the Hallet Place / Liverpool Street / Adelaide Place and the Liverpool Street / Mortlock Terrace / Bligh Street intersections along the Lincoln Highway in mid-March 2024.

Pavement rehabilitation will also be undertaken along Lincoln Highway through central Port Lincoln, from Flinders Highway to Mortlock Terrace. These works are expected to commence from mid-April 2024. Advance notice of these works will be provided.

How this affects you:

To do this work safely, some speed and lane restrictions will be in place during work hours.

Some local detours may be required during these works for light vehicles only, with advance notice to be provided via onsite signage.

Please follow traffic management directions while works are in progress.

Outside of work hours all lanes will be open to traffic with speed restrictions in place.

When

From mid-March 2024 until July 2024 (weather permitting)

Hours of operation

Monday to Friday between 7am and 5pm

Some Saturday works may be required

Where

Hallet Place / Liverpool Street / Adelaide Place

Liverpool Street / Mortlock Terrace / Bligh Street

Australian Government

Government of South Australia

Department for Infrastructure and Transport

During the works, there might be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum.

We'll maintain access for properties throughout the works wherever possible, with advance notice provided if there is a need to restrict driveway access temporarily. Access for emergency vehicles and heavy vehicles will be maintained at all times during works.
