

Temporary closure of Taunton Road and Hampstead Road intersection

Taunton Road, Ascot Avenue and Lower Portrush Road resurfacing

We are undertaking night works to improve road safety and network reliability

What's happening

We recently commenced road resurfacing works on Taunton Road, Vale Park and Ascot Avenue/Lower Portrush Road, Marden to improve road safety and driveability.

As part of these works, the intersection of Taunton Road and Hampstead Road will be temporarily closed.

How this affects you

Taunton Road and the intersection of Taunton Road and Hampstead Road will be closed from Sunday, 15 June 2025 to Tuesday 17 June 2025, between the hours of 9pm and 5:30am, weather permitting.

Detours will be in place via Muller Road and North East Road alongside local roads.

Local access including emergency services will be maintained throughout the works.

Heavy vehicles will be permitted through the area to maintain key freight movements, directed by on-site traffic controllers.

Speed and lane restrictions will be required while works are underway. Please follow traffic management directions while works are in progress.

Outside of working hours all roads will reopen to traffic with speed restrictions in place.

All works are expected to be complete by late June 2025.

Thank you for your patience and cooperation as we undertake these important upgrades.

Taunton Road closure

Sunday, 15 June 2025,
Monday, 16 June 2025 and
Tuesday, 17 June 2025,
weather permitting
