Dear Mr Patterson

APPLICATION UNDER THE *FREEDOM OF INFORMATION ACT 1991*

I refer to your application made under the *Freedom of Information Act 1991* (the Act), dated 4 October 2023.

Your application seeks access to:

“Any correspondence between the Office of the Minister for Energy and Mining and the Office of Nadia Clancy MP, Member for Elder, between Monday, 2nd of October and Wednesday, 4th of October 2023.”

An extensive search was conducted within this office. A total of 3 documents were identified as answering the terms of your application.

I grant you access in part to 3 documents; copies of which are enclosed.

Documents are released in part as they contain the name of a constituent within the Elder electorate and if released would involve the unreasonable disclosure of personal information. I therefore determine this information exempt pursuant to clause 6 to the FOI Act.

Out of scope information not pertaining to the scope of your request has also been redacted.

Mobile numbers have been redacted from Document 3, pursuant to clause 6.

An email address has been redacted from Document 3 as it has been provided by SA Power Networks for use by Ministers to ensure a confidential communication channel. If released, this would prejudice the supply of information between government and SA Power Networks and the volume of communications coming in via this email address would delay the identification of Ministerial requests and impact their efficient handling. I therefore determine this information exempt pursuant to clause 7(1)(c).

Exemptions

Clause 6 – Documents affecting personal affairs

- (1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).

Clause 7– Documents affecting business affairs

- (1) A document is an exempt document—
 - (c) if it contains matter—
 - (i) consisting of information (other than trade secrets or information referred to in paragraph (b)) concerning the business, professional, commercial or financial affairs of any agency or any other person; and
 - (ii) the disclosure of which—
 - (A) could reasonably be expected to have an adverse effect on those affairs or to prejudice the future supply of such information to the Government or to an agency; and
 - (B) would, on balance, be contrary to the public interest.

No fees and charges are payable for this application.

If you are unhappy with this determination you are entitled to apply for an internal review, in accordance with section 29 of the FOI Act. To make an internal review application, please either write a letter or complete *Application for Review of Determination* form, to the Principal Officer of this agency, the Hon Tom Koutsantonis MP, within 30 (calendar) days after you receive this letter.

If you require any further information, please contact Vicky Cathro on (08) 7133 1100.

Yours sincerely

Carly McNeill

For: Alicia Siegel

Hi Alicia
 SAPN say the best contact method is to email: Clause 7 (1) (c) - Business Affairs
 And mark clearly in the subject line the enquiry is from an MP's office.

This is a different route from their standard online forms and their complaints line
Clause 7 (1) (c) - Business Affairs

The SAPN govt relations person is still on holiday overseas – but also they say she doesn't deal with these sort of matters.
