

# Wynn Vale Drive and Bridge Road Junction Upgrade

## Works Notice

**We are upgrading the junction of Wynn Vale Drive and Bridge Road in Gulfview Heights.**

This forms part of the State Government's election commitments to upgrade, or investigate potential upgrades, in the northern suburbs.

### What's happening:

To achieve these critical upgrades and facilitate the widening of Bridge Road, we are undertaking tree and vegetation removal works on Bridge Road. These works will be undertaken from Monday 9 December 2024 to Thursday 12 December 2024, weather permitting.

Major works are expected to commence in early 2025. Advance notice will be provided before works commence.

### How this affects you:

To undertake this work safely, there will be changes to existing traffic conditions. During working hours speed and lane restrictions will be in place throughout the area. Please follow traffic management directions while works are in progress.

Outside of working hours, speed and lane restrictions will be removed.

Bus stop 43C Bridge Road on the east side will be temporary relocated. Please pay attention to the signs at the bus stops and check the latest updates at [adelaidemetro.com.au](http://adelaidemetro.com.au). Refer to map overleaf for more information.

Pedestrians and cyclists might also need to use a different path during the works. Signage will be in place to guide you to alternative routes.

Access to properties will be maintained at all times, with advance notice provided if there is a need to temporarily restrict driveway access.

We appreciate your patience while these important works are undertaken.

#### When

Monday 9 December 2024 to Thursday 12 December 2024, weather permitting

#### Hours of operation

Between the hours of 9am and 4pm

#### Where

The intersection of Wynn Vale Drive and Bridge Road in Gulfview Heights
