

**STATE
PLANNING
COMMISSION**

You are invited to join us for three interactive workshops, hosted by the State Planning Commission, on the important next steps in delivering South Australia's planning future.

Tim Anderson
Chair, State Planning Commission

These workshops will provide:

- An overview of planning reform progress to date including the release of the reform implementation plan and community engagement charter.
- Specific discussion on the draft State Planning Policies and the four draft discussion papers on Transport, the Environment, Neighbourhoods and the Economy.
- An opportunity to contribute towards the development of these important papers and shape the policies that will make our state more liveable, affordable, sustainable and prosperous.

As a respected member of the planning community you are invited to save the date
