

Goodwood Road, Springbank Road and Daws Road Intersection Upgrade - Have Your Say

- Road widening on Goodwood Road to provide three through lanes southbound and a controlled left turn lane into Springbank Road.
- Road widening on Goodwood Road to provide dual right turn lanes onto Daws Road.

REPAT HEALTH PRECINCT

- Road realignment on Daws Road to provide two through lanes onto Springbank Road, and a controlled left turn onto Goodwood Road (northbound).
- Road realignment on Daws Road to provide dual right turn lanes onto Goodwood Road (southbound).

DAWS ROAD

GOODWOOD ROAD

ST THERESE SCHOOL

SPRINGBANK ROAD

- Road realignment on Springbank Road to provide two through lanes onto Daws Road, and dual right turn lanes onto Goodwood Road.
- Road realignment on Springbank Road to provide dual controlled left turn lanes onto Goodwood Road (southbound).

BEDFORD GROUP

- Extension of dual right turn lanes from Goodwood Road into Springbank Road.
- Road widening on Goodwood Road to allow for an additional through lane northbound, and a controlled left turn lane onto Daws Road.

Other proposed treatments include:

- Dedicated bicycle lanes on the approaches of the intersection and through the intersection.
- New kerb and gutter where road realignment and widening is occurring.
- New and upgraded traffic signals and road lighting.
- Upgraded pedestrian crossings within the intersection, including new pedestrian crossing and lights.
- New and upgraded pedestrian ramps and footpaths around the intersection.
