Government of South Australia
Department of Planning, Transport and Infrastructure
get involved and stay informed

People who live and work in the suburbs around the Southern Expressway or travel to and from the southern area on:

- Marion Road
- Diagonal Road
- Seacombe Road
- Majors Road
- Lander Road
- Young Street
- Moore Road
- Sherriffs Road
- O’Sullivan Beach Road
- Flaxmill Road
- Elizabeth Road
- Beach Road, or
- Honeypot Road

can be kept informed about traffic changes, including footpath closures, and alternate routes by subscribing for information.

Staying informed about traffic changes and construction of the $407.5 million Southern Expressway Duplication project is easy. All you need to do is visit infrastructure.sa.gov.au, follow the links and provide your details. Regular updates about the project will be sent out so that you know what is happening in and around the project area and can plan your journey accordingly.

Advance notice to the community will also be provided via the Australian Traffic Network – heard on all breakfast and drive time radio programs in the metropolitan area.

Electronic message boards within the project area will also be placed at specific locations to advise road users of upcoming changes and detours.

The Southern Expressway Duplication will open to traffic by mid-2014, servicing city and south-bound drivers simultaneously. This project will provide people living in Adelaide’s south better access to employment, education, shopping and community facilities.

More project information is available online at infrastructure.sa.gov.au by calling 1300 626 097 or emailing the team at dpti.southernexpressway@sa.gov.au.
