

Main South Road, O'Halloran Hill

Works Notice

We are improving road safety to reduce the risk of crashes in South Australia.

These works are funded by the Australian Government under the national Black Spot Program with the aim of delivering safer roads in South Australia.

What's happening

We are undertaking minor shoulder works on the north bound lane of Main South Road, between Majors Road and the Victoria Hotel, O'Halloran Hill.

This work will be undertaken from Tuesday 7 January 2025 until mid-January 2025.

How this affects you

To keep everyone safe there will be changes to existing traffic conditions, with speed and lane restrictions in place during work hours. Outside of working hours, lane and speed restrictions will be removed.

Bus stop 32 on Main South Road will remain accessible during the works.

Minor noise and dust disturbances can be expected while works are being undertaken, but we will do our best to minimise impacts as much as practically possible.

We thank you for your patience and understanding while we complete these important works.

When

Tuesday, 7 January 2025, until mid-January 2025, weather permitting.
