

# Gawler East Link Road Project

## Works notification

### **Day and night works Para Road, Barnet Road, Main North Road and Potts Road.**

As part of the Gawler East Link Road Project, the Department of Planning, Transport and Infrastructure (DPTI) advises that ongoing service relocations will be occurring in and around the Evanston Park area, as well as vegetation management activities along the link road alignment.

**Location:** See map supplied outlining works.

**When:** November 2018 – mid January 2019

**Service Relocation:**

Stage 1 (Day Works)

Scheduled completion: Friday 16 November 2018 between 7:00am and 5:00pm.

Stage 2 (Night Works)

Sunday 25 November 2018 to Friday 7 December 2018 between 7:00pm and 5:00am.

Stage 3 (Day Works)

Ongoing to Monday 10 December 2018 between 7:00am and 5:00pm.

Stage 4 (Day Works)

Monday 17 December 2018 to Friday 21 December 2018 between 7:00am and 5:00pm.

Monday 7 January 2018 to Friday 25 January 2018 between 7:00am and 5:00pm.

**Vegetation Management: Commencing at Calton Road, heading south towards Potts Road.**

Ongoing to Friday 30 November 2018.

These works are part of an increasing program of vegetation management works in the area, including some tree removals with additional activities occurring intermittently over the next four weeks.

**Activities:**

- Excavation of electrical utility trench;
- Hydro vacuum machines used to identify underground services;
- Compaction of excavation backfill with mechanical hand tools i.e. leg rammers, vibration plates;

- Saw cutting of bitumen and concrete;
- Reinstatement of road surfaces;
- Removal of vegetation & tree felling;
- Grinding of stumps.

Some noise disturbance can be expected at times, particularly whilst work activities are undertaken at night. Every effort will be made to minimise the disturbance to residents and businesses.

**Traffic Management:**

Para Road from Solver Paints to Barnet Road will be closed between 7:00pm and 5:00am during night works, follow detour signage.

Potts Road will be closed between 7:00pm and 5:00am during night works, follow detour signage.

Detours, speed and temporary lane restrictions will be required at various stages.

Signage and traffic management will be in place to advise motorists of changed conditions.

Access to residential and business properties will be maintained at all times.

Pedestrian and cyclist access will be maintained at all times.
