

DEVELOPMENT ACT 1993

PROPOSED KANGAROO ISLAND GOLF COURSE RESORT

RELEASE OF PUBLIC ENVIRONMENTAL REPORT (PER) FOR PUBLIC COMMENT

On 19 February 2014, the Minister for Planning declared that a proposal to develop a golf course resort on Kangaroo Island would be assessed using the major development provisions of the *Development Act 1993*.

A Development Application for the proposed development was received from Programmed Turnpoint Pty. Ltd. on 11 April 2014. The application was referred to the independent Development Assessment Commission (DAC) for initial examination, in accordance with the requirements of the Act. The DAC determined, in June 2014, that Programmed Turnpoint Pty. Ltd. should prepare a **Public Environmental Report (PER)** regarding the proposal, and issued formal Guidelines outlining the environmental, social and economic issues the PER had to address.

The Minister for Planning advises that Programmed Turnpoint Pty Ltd has now prepared the PER, which is being released for a 6-week, public comment period from Friday 15 May until Tuesday 30 June 2015. The PER can be obtained at the locations indicated below.
