

# Old Princes Highway, Littlehampton Pedestrian Refuge

## Works Notice

**We are delivering critical road safety upgrades and improvements on remote, regional, and urban roads, footpaths and cycle paths around South Australia**

The \$168 million Road Safety Program is jointly funded by the Australian (50%) and South Australian (50%) Governments over three years.

## What's happening

We recently installed a new pedestrian refuge on Old Princes Highway, near Childs Road in Littlehampton, to improve pedestrian safety and connectivity.

**Minor finishing works are being undertaken on Thursday 6 and Friday 7 February 2025.**

## How this affects you

To do this work safely there will be speed and lane restrictions in place during working hours. Please follow onsite signage and traffic management directions while works are in progress. Outside of working hours traffic restrictions will be lifted.

Access to buses will be maintained, however, please check the latest updates on scheduled services at [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)

Access to properties will be maintained. Advance notice will be provided if temporary access restrictions are required.

There may be some noise associated with these works but we'll do our best to keep the disruption to a minimum.

Thank you for your patience while these important works are undertaken.

### When

Thursday 6 February and  
Friday 7 February 2025,  
weather permitting

### Hours of work

Monday to Friday  
between the hours of  
9.30am and 3.30pm

### Where

Old Princes Highway,  
Littlehampton, near Childs  
Road
