

Brighton Road Upgrades

Brighton Road/Ocean Boulevard and Scholefield Road - Site investigation works

Site investigation works will be carried out as part of the Brighton Road Intersection Improvements Project.

What's happening

We are undertaking geotechnical investigations along Brighton Road/Ocean Boulevard (from the north of Thomas Street to the south of Clubhouse Road) and Scholefield Road. Works will involve geotechnical drilling and service investigations at various locations along the road and footpath.

These activities are being conducted to help inform the design of the planned upgrade at the Brighton Road/Ocean Boulevard and Scholefield Road junction.

We look forward to connecting with the community in the coming months to share more information.

These works will be taking place from Monday 21 July to Wednesday 30 July, 10am to 3pm.

How this affects you

To safely carry out these works, there will be changes to traffic conditions to keep everyone safe. There will be speed restrictions in place and changes to footpath and road access during working hours. Please follow traffic management directions while works are in progress.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

We'll maintain access for properties throughout the works wherever possible, with advance notice provided if there is a need to restrict driveway access temporarily. Access for emergency vehicles will be maintained at all times during works.

Pedestrians and cyclists are advised to take care when traveling throughout the area. For safety reasons there may be some restricted access. When required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Every effort will be made to minimise impacts to the community.

When

Monday 21 July to
Wednesday 30 July,
(weather permitting)

Hours of work

Monday to Friday 10am to
3pm

Where

Various locations along
Brighton Road/Ocean
Boulevard (from the north of
Thomas Street to the south of
Clubhouse Road) and
Scholefield Road
