

Glen Osmond Road and Fullarton Road Intersection Upgrade

Investigation Night Works

The Australian and South Australian Governments have jointly (50:50) committed \$35 million to upgrade the Glen Osmond Road and Fullarton Road intersection. Once complete, the upgrade will improve travel times and road safety, increase intersection capacity and enhance network reliability.

As you may be aware, consultation on the current proposed concept design closed on 14 June 2021. This feedback is currently being reviewed and considered by the project team. We will be back in contact with the community in the near future to provide an update on the outcomes of this consultation.

Service identification investigation activities are required to further assist with project planning. In order to minimise the impact to road users and to ensure the works can be completed safely and efficiently, these investigation activities must be completed at night.

Night works are scheduled from **Monday, 12 July 2021, to Friday, 16 July 2021, weather permitting.**
Hours of work are between 7pm and 7am.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbances to nearby residents and businesses as much as practically possible.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. Access to properties will be maintained throughout these works.

No changes to public transport services are planned during these works.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

The Department appreciates your patience and cooperation whilst these important works are undertaken.

To find out more about the project or register for future updates, please visit www.dit.sa.gov.au/glenosmond_fullarton or contact the project team via email on dit.communityrelations@sa.gov.au or phone 1300 794 880.

Kind regards,

Glen Osmond and Fullarton Road Intersection Upgrade project team
