## Darlington Upgrade Project

### Bedford Medical Clinic Access changes

Access to the Bedford Medical Clinic and parking arrangements will permanently change in mid 2018 due to the Darlington Upgrade Project.

Works to construct the new carpark and access points are nearing completion and we will provide you with details of the permanent access and parking arrangements in the near future.

In the interim, a short term change to access and parking is required and will come into effect at 6am on Monday 5 March 2018. Details are outlined below:

#### Staff

- Entry and exit will be via Tonsley Boulevard (no change to current access arrangements)
- Parking will be at the southern end of the property (adjacent Tonsley Boulevard)

#### Patients

- Entry and exit will be via South Road, at the northern end of the property, via left turn in and left turn out.
- Parking will be at the northern end of the property

Please see the plan overleaf for further details.

These changes will be in place for approximately three months. Further information will be provided in the near future about the access and parking arrangements after this time.

If you have any questions or would like to speak to a member of the project team please call 1300 759 334 or email: [enquiries@gatewaysouth.com.au](mailto:enquiries@gatewaysouth.com.au).

Kind Regards,  
Darlington Upgrade Project team
