

# Darlington Upgrade Project

## Partial opening of the northbound lowered motorway under Tonsley Boulevard

As part of the Darlington Upgrade Project, the lowered motorway under Tonsley Boulevard will open to northbound traffic on the evening of Saturday 2 November, weather permitting.

This will allow northbound traffic on Main South Road and the Southern Expressway to travel non-stop along the lowered motorway to South Road, north of Tonsley Boulevard.

**From 6pm on Saturday 2 November, access to Tonsley Boulevard for northbound vehicles will be available only from the South Road surface road.**

Please refer to the map overleaf for details on traffic movements which will be in place from 6pm on Saturday.

**The following traffic restrictions will be in place from 6am – 6pm on Saturday 2 November:**

- The lowered motorway will be closed in both directions between the Ayliffes/South/Shepherds Hill roads intersection and the Southern Expressway to accommodate line marking changes. Motorists travelling south will be detoured onto the Main South Road surface road via Sturt Road, then Marion Road to access the Southern Expressway.
- A reminder that the Southern Expressway on-ramp from Main South Road at Flinders Drive is closed for piling works until late November.
- Lane closures and speed restrictions will be in place on the northbound carriageway of South Road surface road between Ayliffes Road and Selgar Avenue.

There will be permanent changes to bus routes T721 and T722 and bus stops 24A (both directions) on South Road will no longer be serviced. Please visit [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) for further information.

There will be no changes to pedestrian access.

Please plan ahead, allow extra travel time, take extra care when workers are on site and observe speed and lane restrictions when travelling through the area.

If you would like to speak to a member of the project team, please call 1300 759 334 or email: [enquiries@gatewaysouth.com.au](mailto:enquiries@gatewaysouth.com.au).

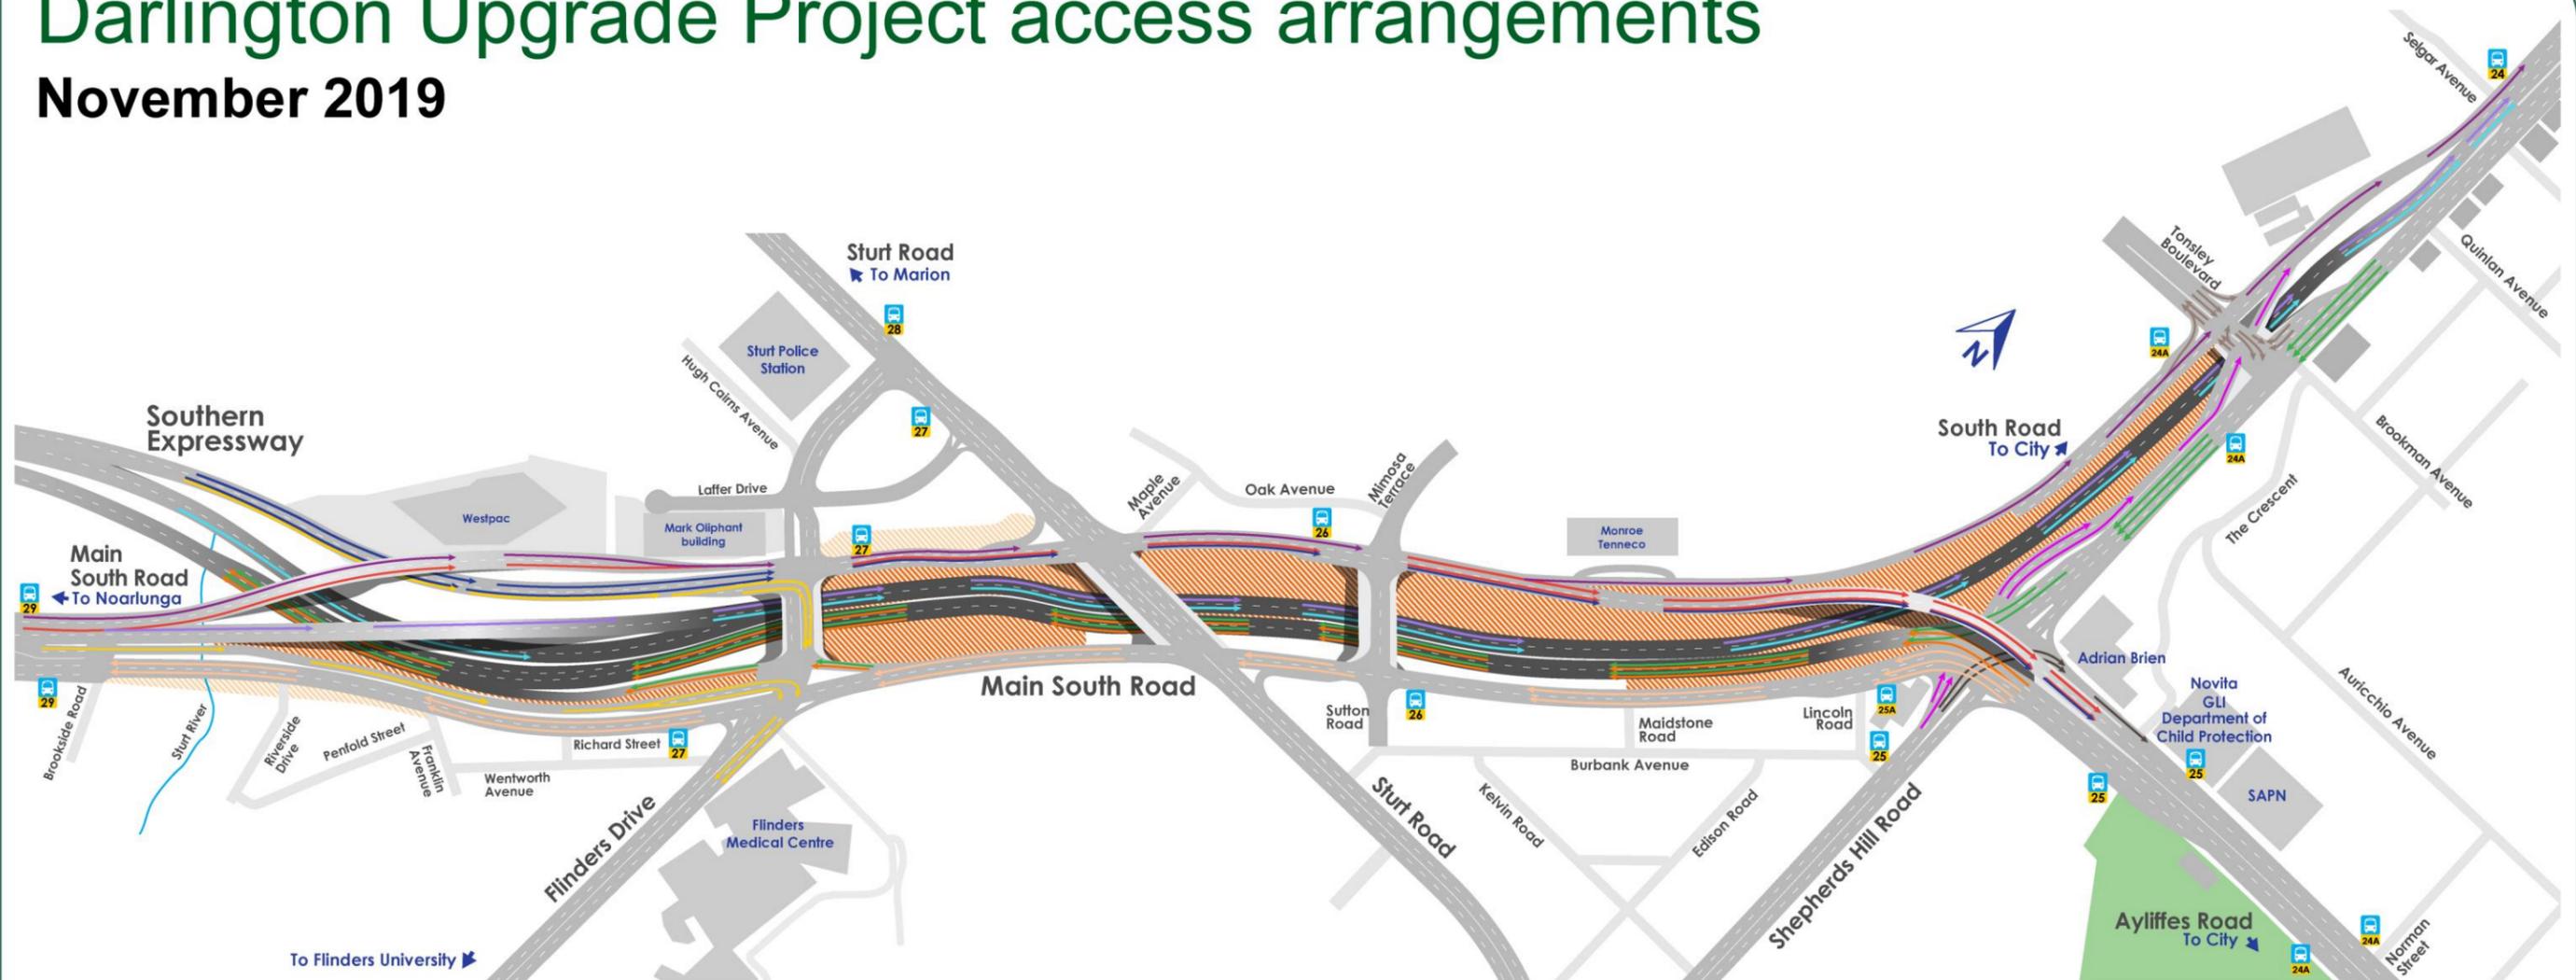

Thank you for your patience while these works are undertaken.

Kind Regards,  
Darlington Upgrade Project Team
