

# Northern Adelaide Suburbs Road Upgrades

## Mawson Lakes Road Management Plan

As part of the State Government's election commitments, the Department is undertaking a Road Management Plan for the Mawson Lakes area. The Road Management Plan will review local accessibility in consultation with the community and City of Salisbury. The Plan will include problem definition and analyse options.

Community and stakeholder engagement is vital to the successful development of the Road Management Plan. Local input will be used to help us better understand the current challenges and identify potential improvement solutions.

### We invite you to provide your feedback and insights to inform the Mawson Lakes Road Management Plan.

You can provide your feedback until Tuesday, 11 April 2023 by:

- completing the online survey by following the QR code below or visiting:  
[https://dit.sa.gov.au/infrastructure/road\\_projects/Northern\\_Suburbs\\_Road\\_Projects](https://dit.sa.gov.au/infrastructure/road_projects/Northern_Suburbs_Road_Projects)
