

South Australian Regional Bridge Upgrades

Alexandrina Road – Culvert Replacement Works

The Department for Infrastructure and Transport (the Department) is continuing works to replace the culvert on Alexandrina Road, located between Brookdale Road and Tucker Road. These works will extend the service life of the structure and improve safety for road users.

Works will continue to be undertaken **Monday to Friday, between the hours of 7am and 5pm**. Some Saturday work may also be required. No work will be undertaken on Sundays.

What to expect

To facilitate works associated with road widening and the installation of culvert treatments, a temporary road closure will be in place on Alexandrina Road from Thursday, 3 August 2023 until 5pm Wednesday, 16 August 2023 (weather permitting).

During this time, a temporary detour will be in place. Local access will be maintained at all times. Please see map overleaf for details.

Road users are asked to please plan ahead, expect delays, allow extra travel time, and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access. Some noise disturbance can be expected at times during these works. However, the work will be managed to minimise disturbance to nearby properties as much as practically possible.

The Department appreciates your co-operation and patience while these important works are undertaken.

This project is expected to be completed in September 2023 (weather permitting).
