

## PURPOSE

In an attempt to simplify the process for assessing standard developments, assessment pathways for exempt and accepted development have been introduced under the *Planning, Development and Infrastructure Act 2016*.

Assessment Level	Exempt development (no assessment)	Accepted development (Set out by Regulations or Planning and Design Code)
Relevant Authority	None	Planning - none Building - Council or Certifier
Assessment Tool	None	Planning - none Building - Building Rules (National Construction Code)
Notification	None	None
Agency Referral	None	None
Appeals	None	None
