

# Main South Road Duplication Project

## Stage 2 Site Investigation Works – Update

Dear Resident / Business Owner,

The Department for Infrastructure and Transport (the Department) is continuing site investigation works for the Main South Road Duplication Project.

Site investigations are required to better understand the existing conditions and will take place between Aldinga Beach Road and Sellicks Beach Road and will include:

- Location and depth of underground services.
- Geotechnical investigations.
- Environmental investigations including flora and fauna surveys and noise monitoring.
- Aboriginal and cultural heritage assessment.

### **Works will occur intermittently over the coming months.**

The investigation sites do not necessarily correspond to areas which will be impacted by the project in the final design. The locations have been carefully chosen to minimise disruption to the community and for the best overall understanding of local conditions.

Night works will occur on Main South Road between Aldinga Beach Road and Sellicks Beach, from Monday, 8 March and are expected to be completed by mid-April. These works will be undertaken as night works when traffic volumes are lower, **between the hours of 7pm and 7am**, starting Monday evening and finishing Saturday morning each week.

Day works will be undertaken between Norman Road and Sellicks Beach Road between the hours of **10am and 4pm**, Monday to Friday.

Remaining site investigations will generally occur during the day time between the hours of **7am and 7pm** Monday to Friday.

All roads will remain open, with some localised speed and lane restrictions in place. Road users are advised to take extra care when workers are on site, and observe signage when travelling through the area. In the event that access to your property is required for these works, we will contact you directly to obtain your permission and discuss the nature of the works.

---

Some noise can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses, as much as practically possible.

The Department appreciates your patience and understanding while these important upgrade works are undertaken.

For further information please contact the project team on call 1300 794 880, email [dit.CommunityRelations@sa.gov.au](mailto:dit.CommunityRelations@sa.gov.au) or visit [www.dit.sa.gov.au/msrd](http://www.dit.sa.gov.au/msrd)

We also encourage you join the project mailing list to receive project updates and information as it becomes available. Register your details by visiting the project website at [www.dit.sa.gov.au/msrd](http://www.dit.sa.gov.au/msrd) and selecting *Registration, Feedback and Suggestions*.

Kind regards,

Community Engagement and Stakeholder Team
