

# Station Refresh Program Works

## Dudley Park Railway Station

The Department for Infrastructure and Transport (the Department) is delivering improvement works at 14 stations along the Gawler rail line. The Australian and South Australian governments have jointly (50:50) committed \$20 million as part of the Gawler Rail Line Station Refresh Program.

Works will occur at Dudley Park Railway Station to install new fencing along Devonport Terrace and complete improvements to the southern pedestrian ramp between Exeter Terrace and the Gawler bound platform.

Works will commence on **Monday, 5 December 2022, and are expected to be completed by the end of December 2022**, weather permitting. Hours of work will be **7am to 5pm Monday to Friday**.

Pedestrian access on the southern pedestrian ramp (Adelaide end) at Exeter Terrace will be closed while works are occurring. Pedestrians will be detoured to the northern pedestrian ramp which will remain open.

As part of these works there will be some intermittent partial closures of the station car park on Devonport Terrace.

**Traffic will be detoured around the work zone on Exeter Terrace between the hours of 7am to 5pm Monday to Friday.** Access to properties on Exeter Terrace will be maintained at all times.

Please see the map over the page for more details.

Some noise can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

There will be no impact to public transport services as part of this project.

Every effort will be made to minimise impacts to the community.
