

# Darlington Upgrade Project

## Southern Expressway (lowered motorway) exit ramp opening 9 June

As part of the Darlington Upgrade Project, the Southern Expressway (lowered motorway) exit ramp to Main South Road will open to traffic from **6am Tuesday 9, June**, weather permitting.

Access from the Southern Expressway (lowered motorway) onto the Main South Road surface road, Bedford Park, will be available via the exit ramp for southbound motorists just prior to Flinders Drive.

See below for details of the traffic arrangements that will be in place following the switch.

### **From: Southern Expressway (lowered motorway), southbound To: Main South Road**

Southbound Southern Expressway (lowered motorway) motorists wanting to travel to Main South Road, Darlington, will need to position themselves in the left lane of the Southern Expressway, north of Flinders Drive to exit to Main South Road, as per the light blue arrows on the map overleaf.

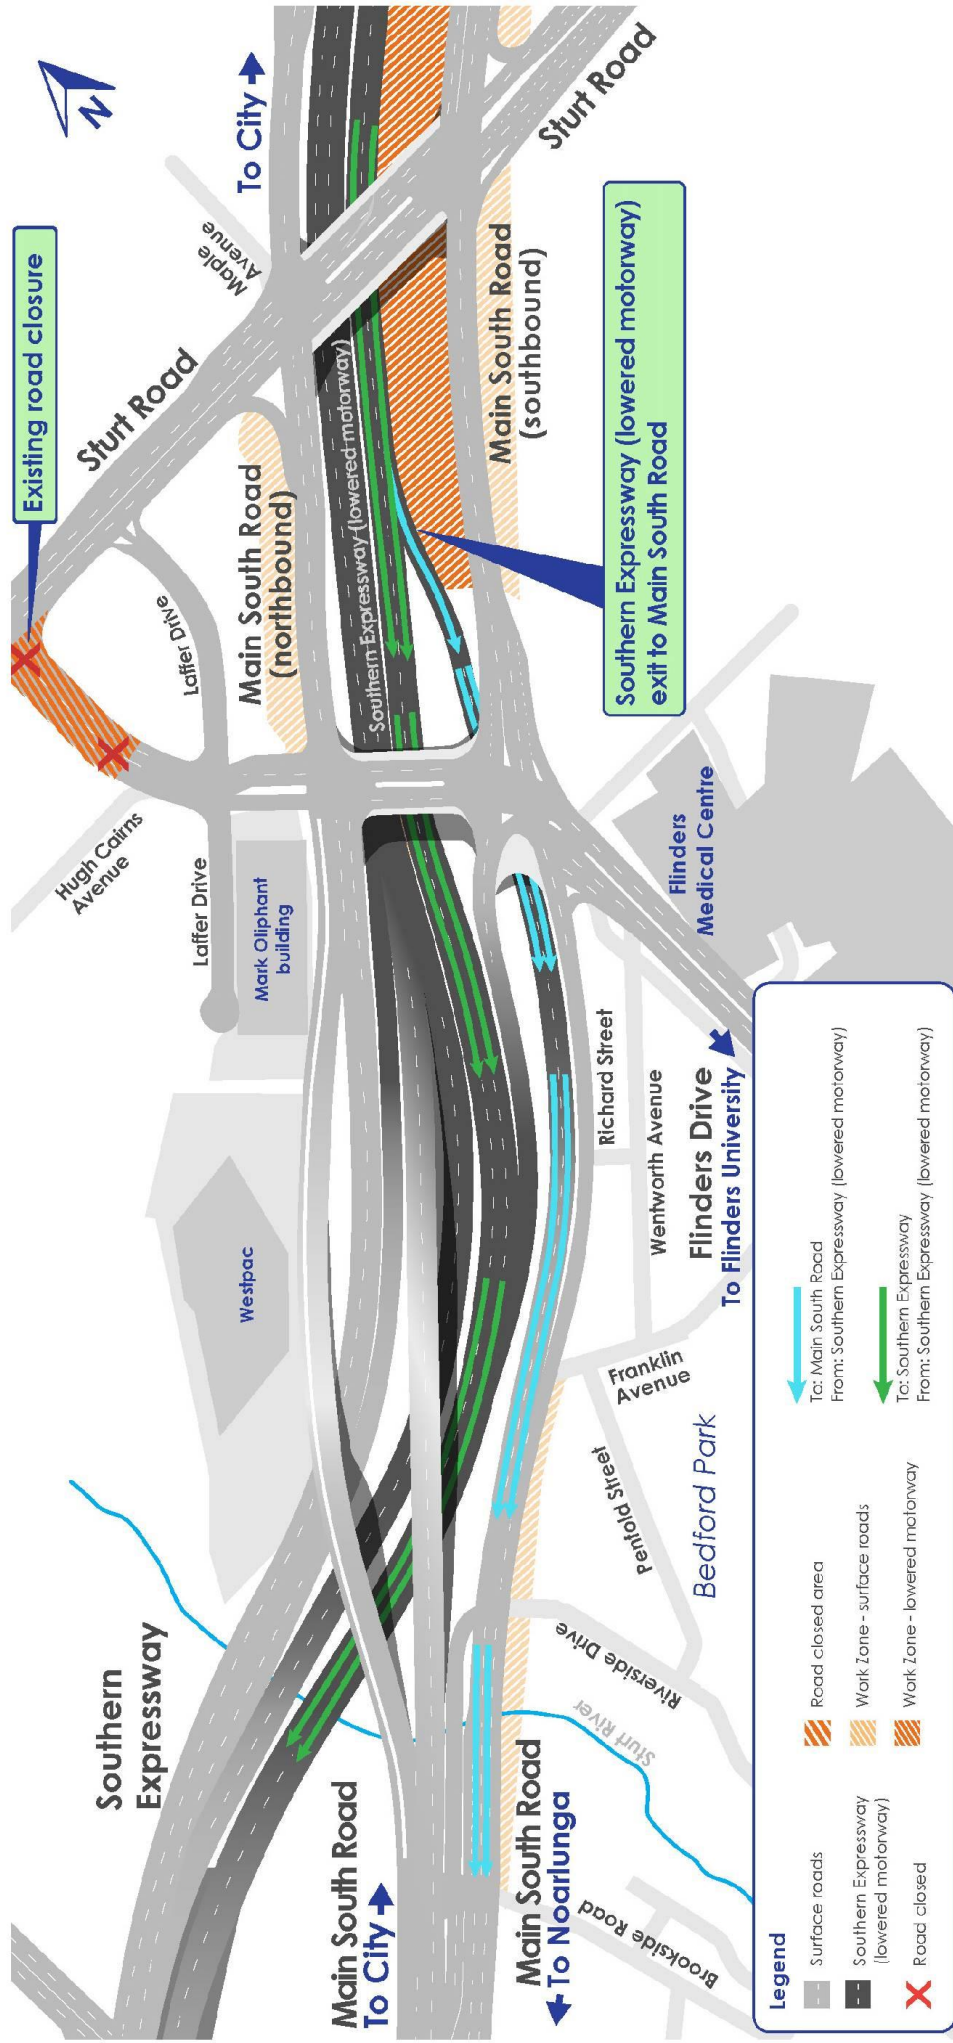

Please plan ahead, allow extra travel time, take extra care when workers are on site and observe speed and lane restrictions when travelling through the area.

If you have any questions or would like to speak to a member of the project team, please call 1300 759 334 or email: [enquiries@gatewaysouth.com.au](mailto:enquiries@gatewaysouth.com.au).

Thank you for your patience while these important works are undertaken.

Kind regards,  
Darlington Upgrade Project Team
