

Cross Road and Fullarton Road Intersection Upgrade

Clinton Avenue temporary closure

The Australian and South Australian governments have jointly funded (50:50) \$61 million to upgrade the Cross Road and Fullarton Road intersection. Once complete, the upgrade will improve travel times and road safety, increase intersection capacity and enhance network reliability.

As part of this project, kerbing and drainage works will soon be undertaken on Clinton Avenue, at the junction with Fullarton Road, Myrtle Bank.

What to expect

Works are scheduled to commence at **6am on Friday, 14 April** and are expected to be completed by **7pm Friday, 21 April 2023, weather permitting.**

To safely facilitate these works, **Clinton Avenue will be temporarily closed at Fullarton Road during the works.**

Works will be undertaken during the day and at night. No works will be undertaken on Saturday night.

Vehicles will be required to detour via Ferguson Avenue and Myrtle Avenue or Ringarooma Avenue and Hexham Avenue to access Clinton Avenue. Refer to the map overleaf for details. Please follow local detour signage and traffic controller instructions. Speed and lane restrictions will also be in place in the vicinity of the works.

Access to properties will be maintained throughout the works wherever possible, however the project team will contact individual property owners if driveway access is to be temporarily affected by the works.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

Some noise disturbances can be expected at times while these works are completed, however, the work will be managed to minimise disturbance to nearby residents as much as practically possible.

Further information

For more information, or to register for project updates please contact the project team via the details below:

- phone 1800 271 168
- email DIT.CrossFullarton@sa.gov.au
- visit www.dit.sa.gov.au/cross_fullarton

We appreciate your patience and cooperation whilst these important works are undertaken.

Kind regards
