

North-South Corridor Darlington Upgrade Project

Temporary closure of local roads, Bedford Park North

Darlington Upgrade Project works will continue with the temporary closure of local roads in Bedford Park North for service relocations, earthworks and roadworks.

From 6:30am on Saturday 15 July 2017 for a period of approximately five weeks, two local roads will be closed at the same time in order to complete asphaltting works.

Sutton Road will remain closed with either Lincoln Road or Maidstone Road also closed at the junction with Main South Road. We will ensure that one local road remains open at all times.

Traffic Management

- Local access for properties on Lincoln Road, Maidstone Road and Sutton Road will be maintained at all times, via Burbank Avenue.
- Pedestrian access will be maintained along Burbank Avenue during the works
- Pedestrian access will be maintained to bus stops 25A and 26 (southbound)
- Signage will alert motorists to the changed traffic conditions.

Temporary traffic management measures will be in place to alert motorists and road users are asked to use extra caution when workers are on site. Traffic and speed restrictions will apply in the vicinity of the works.

Please plan ahead, allow extra travel time, take care when workers are on site and observe speed and lane restrictions when travelling through the area.

If you have any questions or would like to speak to a member of the project team, please call 1300 759 334 or email: enquiries@gatewaysouth.com.au.

Kind Regards,
Darlington Upgrade Project Team
