

Main North Road, Kings and McIntyre Roads Intersection Upgrade

Night Works Notification

The Department for Infrastructure and Transport (the Department) is upgrading the intersection of Main North Road, Kings and McIntyre Roads to improve travel times, connectivity, capacity and safety for all users. The \$13 million project is jointly funded (50:50) by the South Australian and Australian governments.

Night works to place asphalt along the new central median of Main North Road will be undertaken from **Sunday 9 May 2021, for approximately one week, weather permitting.**

To minimise the impact to road users and ensure the works can be completed safely and efficiently, these works are being undertaken **between 7pm and 6am, Sunday to Thursday. No works will be undertaken on Friday and Saturday nights.**

Speed and lane restrictions will be in place in the vicinity of the works, however, the intersection will remain open to traffic at all times.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Some noise disturbance can be expected at times while these works are completed. However, every effort will be made to minimise disruption to surrounding properties and road users, as much as practically possible. Access to properties during these works will be maintained.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

For further information regarding these works or to register for future updates, please visit: www.dit.sa.gov.au/mainnorth, contact the project team via email at dit.communityrelations@sa.gov.au or call 1300 749 443.

The Department appreciates your patience and cooperation whilst these important works are undertaken.

Kind Regards,

Main North Road, Kings and McIntyre Roads Intersection Upgrade Project Team
