

Majors Road Interchange

Majors Road closure

What's happening:

Majors Road will be temporarily closed to safely undertake major service relocation works, barrier placement and pot holing activities immediately east of Adams Road between Monday, 15 January and Tuesday, 23 January 2024.

How this affects you:

During this time, temporary traffic detours will be in place. Please refer to the detour map below for details. Majors Road will be closed between Adams Road and the Riding for the Disabled (RDA) facility on Majors Road. The northern section of Adams Road, in the vicinity of Majors Road, will be reduced to a single lane with traffic management in place throughout the works.

Please follow local detour signage and traffic controller instructions. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to Riding for the Disabled (RDA), Sam Willoughby International BMX Facility and the Glenthorne National Park – Ityamaitpinna Yarta will be maintained at all times.

For further information:
