

# New Adelaide Aquatic Centre

## Jeffcott Road shared pathway closure/detour

Government of South Australia

To prepare for early works of the new Adelaide Aquatic Centre, a section of the shared use path on Jeffcott Road will be closed from 29 January 2024 until project completion in the summer of 25/26.

A detour will be in place to redirect cyclists and pedestrians back onto the Park Lands Trail that runs diagonally between Fitzroy Terrace and the corner of Prospect Road/O'Connell Street.

Directional signage will assist with safe movement through the area.

### Legend

- Path closed
- Cyclist/Pedestrian path detour
- Construction site access

Commuters will still be able to safely access Bus Stop 7 (East Side) during this time.

Cyclist and pedestrian path closed from late January 2024 until project completion in the summer of 25/26.

Cyclist and pedestrian detour from 29 January 2024 until project completion in the summer of 25/26.
